# ***What is Polio?***

**Poliomyelitis is a highly infectious viral disease, which mainly affects children. The virus is transmitted through contaminated food and water, and multiplies in the intestine, from where it can invade the nervous system.**

**The polio virus attacks the central nervous system, sometimes causing paralysis, muscular atrophy, deformation and, in some cases, death.**

***Polio is PREVENTABLE!***

# Scholarships

Scholarships Champion

Alison Blythe (RC Melton Mowbray)

The Rotary Foundation and clubs invest in our future leaders and philanthropists by funding scholarships for undergraduate and graduate study

# Full Scholarships

- ▶ Scholarships last from one to four years and can include an entire degree program. Global grant scholarships are funded using cash or District Designated Funds matched by the World Fund.

# Smaller Scholarships

- ▶ District grants can be used to sponsor secondary school, undergraduate or graduate students studying any subject, either locally or abroad. The scholarship may cover any length of time, from a six-week language training program to a year or more of university study.

# IT & Communication

For the first time, the District Foundation Team have an IT and Communications lead

As grant applications become more online based and communications generally become ever more social media based, it has become clear that we need help and guidance in these areas. We need to make best use of technology going forward.

Irvin is there to assist individuals, clubs and teams on how to utilise IT to the best effect. Something which we can no longer work around.

A great technical addition to the team and great to have Irvin remaining within the Foundation team.

# The Grants Team

**Within this team, there is a wealth of knowledge and experience with grants**

***Both District Grants and Global Grants***

**Always ask first! We are there to help you!**

# District Grants

## The journey of a District Grant

- Raise funds to support a project – local, national or international
- Complete an MOU (Memorandum Of Understanding) which generates a project reference number
- Complete a project proposal (everything is done online and is very straight forward) – up to £1000 support from District
- Project proposal is approved (or queried)
- Complete the full grant application
- Once the full application is approved you will be notified and the funds will be transferred to your account
- Start the project
- Once project complete, make sure you get as much publicity as possible, preferably outward facing publicity
- When the project is complete with all receipts and publicity, send in your report – either interim or final

# Global Grants

Global Grants are dealt with by Evanston, but the matching DDF comes from District 1070, so it's imperative that you contact your district team before commencing a Global Grant application - \$30,000 to \$400,000

# Stewardship (compliance)

Angus Hornsby (RC St Neots)

- Stewardship is responsible management
- **Its your hard-earned money!  
We need to look after it**

# Stewardship Practices

- Have Rotarians supervise project
- Implement projects as approved
- Follow good business practice
- Report irregularities
- Submit reports
- Report tracking
- Routine monitoring
- Retain documents
- Responsible to Foundation “at Arm’s Length” from the project to ensure correct use of funds

# Publicity – outward facing

## SHOUT FROM THE ROOFTOPS

### Good publicity can:

- ▶ Encourage future support from the community
- ▶ Enhance the project
- ▶ Aid membership recruitment and potentially increase donations to Foundation from outside the Rotary family

Disaster Aid UK

### Local Charities

Most of the money we raise is distributed to deserving causes within the Huntingdon area. We work closely with local groups such as Young Carers, the Youth Club, the Huntingdon Gym Club and the Volunteer Centre. We are also able to provide help with fees and expenses for individuals who need support with a course or expedition.

### Community Projects

We are able to offer both financial and practical assistance with worthwhile projects within the community. Past projects include assistance with upgrading the facilities at the Godmanchester Nursery and installing a quiet garden at the Thongsley Fields School.

### Supporting Young People

Working with young people is an important aspect of our activity. With local schools and youth organisations we arrange competitions, provide prizes, and give practical support both to individuals and to organisations.

### Rotary Worldwide

International projects are important to us. We raise funds for schools, help with medical projects and make support available in times of crisis. Rotary uses its international network to provide aid direct to those in the greatest need.
